

## QualityPath® Key Concepts & Requirements for Provider Participation

### Colonoscopy Program

Thank you for your interest in participating in The Alliance's *QualityPath* program. Listed below are key concepts of the *QualityPath* colonoscopy program as well as requirements that we want you to be aware of.

#### Key Concepts:

- ▶ Distinct surgeon and facility pairing.
- ▶ Patient must choose to participate.
- ▶ Warranty coverage for complications; however, patient must contact The Alliance to be eligible. (Provider risk is limited.)
- ▶ Providers can follow their current claim submission processes.
- ▶ Steerage to high-quality, low-cost providers.

#### Provider Requirements:

- Ability to accept one payment and conduct the following: contract with ancillary provider at negotiated rates, disburse funds to ancillary provider along with explanation of payment, and answer questions from ancillary provider related to claims.
- Ability to suppress patient statements for services that are part of the *QualityPath* bundle.
- Be in compliance with quality criteria.
- Ability to manage patient care in a cost-effective manner while maintaining high-quality.
- Ability to accept a report from the Alliance that contains claim information and post to the patient account from this report and **not** TPA's issued provider remittance advices.
