

Giving You Alliance Answers

Being part of a cooperative of more than **240 employers** delivering health benefits to more than **85,000 people** means that you get **Alliance Answers**.

When making your network work takes quality and quantity, **Alliance Answers**.

- ▶ **120** Hospitals (Hospital Safety Scores)
- ▶ **9,980** Medical Doctors
- ▶ **5,500** Medical Clinic Sites
- ▶ **497** Chiropractic Clinic Sites
- ▶ **630** Mental Health Clinic Sites
- ▶ **1,000** Home Care Agency Locations
- ▶ **20,000** Total Professional Service Providers

When looking for education, networking and advising, **Alliance Answers**.

The Alliance hosted more than:

- ▶ **10** Educational Events
- ▶ **27** Speakers
- ▶ **16** Sponsors
- ▶ And attracted more than **825** people from employers, agencies, providers and the community.

When using our purchasing power to negotiate with an extensive network of doctors and hospitals paid to improve quality by performing better not doing more, **Alliance Answers**.

- ▶ Collectively, Alliance members bought more than **\$681 million** in health care last year.
- ▶ **Savings averaged 39 percent** for services performed in-network for our members, their employees and family members.

When creating new products and services to benefit Alliance members, **Alliance Answers**.

FindaDoctor

QualityPath®

- ▶ **ShareCap:** A medical stop-loss captive for members to work together in new ways.
- ▶ **Major upgrade to The Alliance's claim processing system:** The updated repricing system combines new programming language, flexibility for future development and more capabilities to capture claim repricing data.
- ▶ **Single Source Self-Funding:** A packaged offering for new Alliance members to offer structure and support as they get started in the world of self-funding.
- ▶ **Updated Find a Doctor site:** A new look for The Alliance's Find a Doctor site to ease navigation and searches for in-network providers.
- ▶ **QualityPath®:** Now in its third year, more than 50 employers are using *QualityPath* to buy high quality, affordable health care for knee and hip surgery as well as CTs and MRIs.
