

A BETTER CHOICE FOR YOUR MRI

Smart Choice MRI and The Alliance have partnered to provide you a better choice for your MRI experience. An MRI is an amazing diagnostic tool for your body but it can cost you thousands. That is why The Alliance supports Smart Choice as an option for your healthcare.

Take Control of Your Healthcare

Lower Out-of-Pocket Costs

Did you know, the average cost of an MRI is \$2,600? At Smart Choice, every MRI is \$600 or less & we are in-network with your insurance.

Benefit From Our Quality

We use the same 1.5T MRI technology as leading hospitals and all exams are interpreted by radiologists from the Cleveland Clinic.

Schedule Around Your Life

We offer early morning, evening and Saturday appointments and have you in-and-out in under an hour!
