Episodes of Care with OakLeaf

— BUNDLED SERVICES —

The OakLeaf Medical Network was founded on the premise of making personalized, high-quality health care an experience available to patients in their community, not miles away.

What is an Episode of Care?

An episode of care is a packaged set of health care services bundled together for a single price and provided to a patient across a defined period of time.

EPISODES OF CARE AVAILABLE

- ✓ Total Knee Arthroplasty
- ✓ Total Hip Arthroplasty
- ✓ Colonoscopy
- ✓ Several In Office Procedures

HOW DO I KNOW IF I QUALIFY?

To verify eligibility or for help finding a physician or participating facility, please contact our Patient Engagement Team at 888-503-0349.
