

Hospitals and Clinics in The Alliance Network

QualityPath® helps you find top doctors, hospitals and clinics. You'll have lower costs (sometimes nothing) by choosing these hospitals and clinics for select surgeries and tests when your care is not an emergency.

Tests and Surgeries Performed

-  MRI
-  CT
-  Colonoscopy
-  Joint Replacement: Knees & Hips

The Alliance Network

 Counties with higher concentration of in-network providers

Find these hospitals and their designated using Fina a Doctor. Visit findadoctor.the-alliance.org

QualityPath for Tests

Most types of outpatient CTs and MRIs are available through **QualityPath** at these locations. If possible, tell us before you have your test by visiting qualitypath.com/TellUs.

QualityPath for Colonoscopies

For colonoscopies, patients must tell The Alliance at qualitypath.com/TellUs or call the patient experience manager at 800.223.4139 before services are received.

QualityPath for Surgeries

Knee and hip replacement surgeries are available at these locations from **QualityPath** doctors and hospitals working together. You must call the Patient Experience Manager at 800.223.4139 before you have surgery.
