Spend Less and Get More on Surgeries and Tests

## Pave Your Path to Quality Care

### Choose the Right Provider

QualityPath doctors, hospitals, and clinics have met or exceeded national quality standards and take steps to provide you with better quality care.

When you have a QualityPath surgery, you get a personal guide to help you navigate the health system - Patient Experience Manager.

### Pick the Right Time

With QualityPath, doctors can help you decide the right time for your test or procedure.

### Pay the Right Price

QualityPath reduces your portion of the costs for the procedure.

## How to Use QualityPath<sup>®</sup>

Notifying us in advance helps us ensure you receive all your QualityPath benefits.

### Procedures/Surgeries

To ensure you receive ALL the benefits provided by QualityPath, it is necessary to call the Patient Experience Manager if you need one of these surgeries:

- When you are ready to have your knee or hip evaluated for a possible joint replacement
- If it's time to be screened for colorectal cancer with a colonoscopy (screening or diagnostic colonoscopy)

### Tests

If you need a test, you can find a QualityPath provider at [the-alliance.org/qualitypathnetwork](http://the-alliance.org/qualitypathnetwork). You do not need to notify us in advance.

Present your QualityPath<sup>®</sup> card  
(and your health insurance card)  
when you check in  
for a QualityPath  
test or surgery.
